Assign one primary contact at your organization to complete this form and provide your organization's legal entity name, your organization's 3-character Dealertrack Lender ID code, and the primary contact's information.

STEP 2

Provide a Group Email Account/Address for your funding team.

We recommend this as a best practice:

Assign a group email for the funding analysts, who will be accessing your Dealertrack Deal Queue to review the digital contracts and funding package documents.

This ensures your dealers' contracts are retrieved as quickly as possible to speed your funding time. We also recommend establishing an internal notification process when one of your funders has picked up a deal from the queue (to avoid work redundancy among your team).

STEP 4

Provide your consent to enable Assisted Remote Signing for your dealers.

Assisted remote signing provides a safe and secure digital signing ceremony between the dealer and buyer – wherever they are most comfortable. Enabling this feature provided critical support for your dealers during the height of social distancing restrictions, and continues to be favored by both dealers and consumers.

Please ensure your selection here matches your contract selection. If you did not choose Assisted Remote Signing at the time of contract, but would like to do so now, please contact Partner Support to have your contract amended.

Select the vehicle types and credit application types your organization supports.

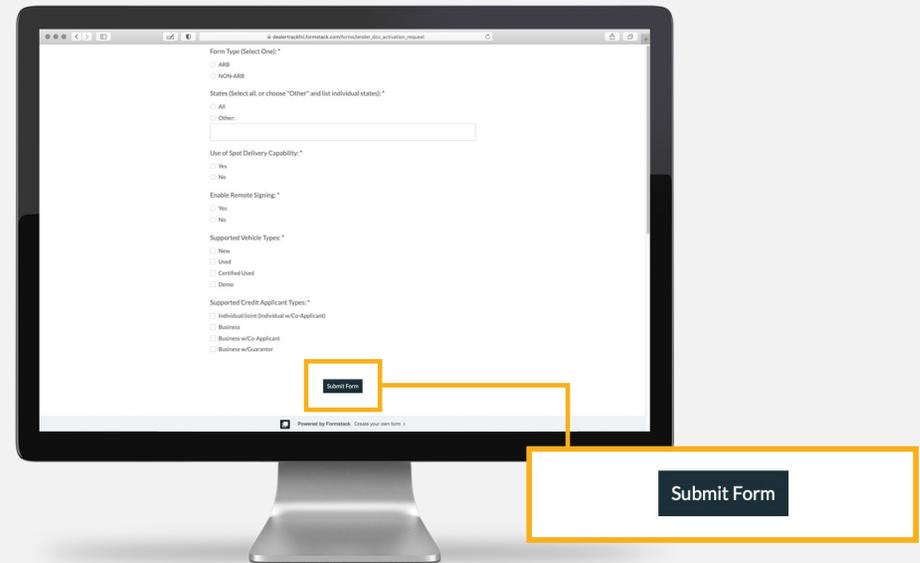

Digital Contracting Choice supports new, used and demo vehicle sales, as well as personal and business credit applications.

The form includes several radio button options for 'Form Type' (ARB, NON-ARB), a 'States' dropdown menu, and 'Use of Spot Delivery Capability' and 'Enable Remote Signing' sections. The 'Supported Vehicle Types' section is highlighted with a yellow box and a callout box containing the number '5'. This section includes radio buttons for 'New', 'Used', 'Certified Used', and 'Demo'. Below it, the 'Supported Credit Applicant Types' section includes radio buttons for 'Individual/Joint (Individual w/Co-Applicant)', 'Business', 'Business w/Co-Applicant', and 'Business w/Guarantor'.
